## MSC Practitioners to be Removed from the Register - 2021

In December 2021, the Medical Sciences Council sent an email to practitioners who had not held an APC for more than five years. The Council asked the following practitioners if they wished to remain on the public register (per section 144 of the Health Practitioners Competence Assurance Act 2003). The Practitioners listed below in blue have confirmed they wish to be removed from the register. The practitioners listed in black did not respond.
