<b>Previously</b> , prospective applicants had to email the Council and read information on our website to find out whether they were eligible for registration in their desired scope of practice.	<b>Now</b> , prospective applicants can use the Eligibility Check, answering a few simple questions to get an idea of whether they're eligible for registration.
Exam candidates were <b>previously</b> required to email the Council to enrol in an examination and complete payment manually.	Applicants who have been offered the online examination as a pathway to registration can <b>now</b> enrol in the examination and complete payment through their online profile.
	with with with with with with with with
	This means exam enrolments can be processed more efficiently, without any information getting lost in email chains, and the applicant will receive a receipt for their payment automatically.
